SUMMER MINISTRY IN THE DOMINICAN REPUBLIC

Dan will be spending most of the summer in the Dominican Republic. While there, he will be hosting three different mission teams that will be helping to demolish and rebuild the cafeteria and kitchen of the Evangelical School of Jacagua (founded by his parents in 1978). Our daughter Natalia will be leading one of those mission teams (proud parent moment).

Dan is also helping to organize a leadership conference for the Santiago churches for Saturday, July 27th. The themes for the conference will be missions and church planting. The Santiago churches are developing a vision for fulfilling the Great Commission, and we are committed to continue assisting them in the development and execution of that vision.

He will also be helping in the ongoing ministry of the Hato Mayor Church this summer, including participating in their very first Baptism Service on Sunday, July 28th!

PROJECT KENYA

The Conference Planning Committee, made up of Kenyan pastors, continues to work diligently on every detail for the upcoming Pastor's Conference. God has given us a great opportunity to minister to 1,000 Kenyan pastors, 200 chaplains of Kenyan governmental agencies, and 100 key Kenyan government officials in October 2024. As Associate Director of International Ministries for The Way of Truth Ministries, Dan is charged with coordinating every detail with the committee. This means multiple 3:00 AM zoom meetings, due to the 8 hours time difference.

We praise the Lord for the work that has been done and for the \$24,000 the Lord has already provided for the conference. Please continue to pray for God to supply the \$26,000 still lacking to cover our \$50,000 budget for this project.

TRAVEL FUND

We are not only responsible for raising our own personal support, but we must also cover our own travel expenses. Dan’s ministry travels listed above will cost us approximately \$10,000 and our travel account with WOTM is almost depleted. Would you please consider making a one-time, tax-deductible donation to our travel account to help cover the cost of these upcoming trips?

You can mail a check along with our Missionary Support Form (write “Woodring travel fund” in the special project line), or you can scan the QR code to give electronically (type “Woodring travel fund” in the add memo to gift line).

MISSIONARY SUPPORT

We praise the Lord for \$232 in additional monthly support that has been committed since our last newsletter. Barbara continues to work full-time and Dan continues to work part-time, as travel and ministry permit. Having to work on the side does limit our ministry and it prevents Barbara from being able to travel with Dan.

Please pray for God’s provision of the remainder of our support, so that we can both commit ourselves full-time to the work of the ministry. The international needs of WOTM are great and we want to be able to dedicate more time to those needs!

We are eternally grateful for you, our faithful prayer partners and ministry supporters. God uses you every single day to sustain us and encourage us. We can only do the things we do because of you!

In His Service,
Dan & Barbara Woodring
