Project Kenya was a greater success than we could have ever imagined, and we have each of you to thank. Through your faithful prayer and support, we had the privilege of ministering to approximately 900 pastors, 400 chaplains, 100 senior-level government officials, and 700 paramilitary cadets who are training for service in the Kenya Forrest Service.

The feedback from each of these events has been overwhelming, and the phrase that keeps popping into my mind is, "Why me Lord?" I honestly have never felt so unworthy in my life. God is doing an amazing work in the nation of Kenya and has given us a platform to speak into the lives of key leaders, not just in the church, but also government, forest service, wildlife service, and police force.

Many new ministry opportunities have been presented to us as a result of these conferences. We need your prayers as we seek God's direction for our ministry in Kenya moving forward. We have been invited to come back next year and hold similar conferences in three different regions of Kenya. We were asked by the second in command for the Kenya Wildlife Services to help train 20 new chaplains they are looking to employ, and I was asked if I would be willing to be a guest lecturer for an agency that trains police forces for Kenya and several other African nations. We need your prayers, as we seek to discern God's will for WOTM in Kenya!

As international director, travel is a key part of my ministry. I cannot effectively support these ministries and provide the necessary accountability to supporters without being on the ground. Please consider a one-time gift or a monthly commitment to my travel fund. These funds are only used for ministry travel expenses and are critical to fulfilling my ministry responsibilities with the Way of Truth Baptist Mission. If you wish to contribute to my travel fund, you can simply scan the QR code bellow.

Your are a critical part of this ministry, and we thank the Lord for each and every one of you. It is a true honor and privilege to partner with you in advancing the Lord's work around the world.
